

Asia Dialogue on Forced Migration 11th Meeting (virtual)

Since convening the ADFM's last meeting virtually in May 2021, the ADFM Secretariat has only grown more concerned by challenges facing the region: the fall of Kabul in August 2021, persistent conflict in Myanmar, stalemate towards safe, durable, voluntary and sustainable repatriation of Rohingya refugees from the camps in Cox's Bazar, and the ongoing and significant impacts of COVID-19 on people on the move worldwide. In just the last few weeks, the invasion of Ukraine by Russian forces has stunned the world, and greatly increased protection risks for all of those fleeing violence, including risks of human trafficking and migrant smuggling.

In-keeping with the ADFM's goal of promoting more effective, durable and dignified approaches to forced migration in the region, the ADFM Secretariat is convening two virtual meetings in the coming months. The first on 24 March 2022 will focus on strengthening the Bali Process on People Smuggling, Trafficking in Persons and Related Transnational Crime (Bali Process), which celebrates its twentieth anniversary this year.

Meeting 1: 24 March 2022 at 8am Dhaka time, 9am JKT/BKK time, 10am KL/Manila, 1pm AEDT & 3pm NZT

Ahead of the twentieth anniversary of the Bali Process, the ADFM Secretariat has prepared a paper outlining a number of opportunities for reform. These are based on proposals made previously over the course of six years of close collaboration between the ADFM and the Bali Process. This upcoming meeting will be an opportunity to discuss the opportunities in more detail. As always the meeting will not be recorded and will be conducted under the Chatham House Rule of non-attribution.
